

SHIKSHA VARTA

Principal's Message

Jawaharlal Nehru Rajkeeya Mahavidyalaya (JNRM) has long been a pioneer in providing higher education in the Andaman and Nicobar Islands. Established on November 6, 1967, the college has served as a center of excellence, imparting quality education to the youth of this remote region.

In 2016, the institution was accredited with an "A" grade by the National Assessment and Accreditation Council (NAAC), further cementing its reputation. It is also ranked among the top 150 colleges in the country according to the National Institutional Ranking Framework (NIRF). Currently, the college is home to approximately 4,000 students pursuing degrees across various disciplines. JNRM offers 18 undergraduate and 9 postgraduate degree programs in Arts, Science, Commerce, and Management.

The serene and picturesque campus of JNRM provides the ideal environment for both teaching and learning. The college regularly organizes international, national, and state-level workshops, seminars, lectures, sports events, and co-curricular activities. However, many of these important academic and cultural events often go unnoticed by the wider community.

It is with great pleasure that I introduce the "SHIKSHA VARTA" - Newsletter, which aims to offer a glimpse into the vibrant academic activities of this esteemed institution. I hope this newsletter becomes a window through which the community can gain insight into the ongoing developments at JNRM.

Dr. Hemant Kumar Sharma
Principal JNRM

Grand Inauguration of ANCO FEST - SPARDHA 2.0 at JNRM Football Ground

The much-awaited ANCO FEST - SPARDHA 2.0 commenced on March 15, 2025, at the JNRM Football Ground, Sri Vijaya Puram, with vibrant celebrations and enthusiastic participation. The inaugural event was graced by Shri Chandra Bhusan Kumar, IAS, Chief Secretary, A&N Administration, as the chief guest. Shri L. Kumar, IAS, Secretary Education, and Shri Vikram Singh, DANICS, Joint Secretary Higher Education, also marked their presence, adding grandeur to the occasion.

The event saw the attendance of Principals from various Higher Education Institutions, faculty members, and students, making it a memorable gathering. The ceremony began with a welcome address, followed by inspiring speeches emphasizing the importance of extracurricular activities in holistic development. The festive spirit of JNRM was evident as students eagerly participated in various cultural and sports activities, setting the tone for an exciting 07-day festival.

Stakeholders Meet for CSIR Technologies Dissemination

From March 11 to 13, 2025, the JNRM, Sri Vijaya Puram, hosted a Stakeholders Meet to facilitate the dissemination of CSIR technologies in the Andaman and Nicobar Islands. Jointly organized by CSIR-National Institute of Science Communication and Policy Research (NIScPR), Unnat Bharat Abhiyan (UBA) - IIT Delhi, Vijnana Bharati (VIBHA), and JNRM.

The event aimed to address regional challenges through innovative solutions.

Participants explored the application of technologies in floriculture, food processing, solar drying, bee farming, and water desalination. Various sessions highlighted the potential of these technologies in enhancing livelihoods and promoting sustainable development. A field visit to betel nut farms at Swaraj Dweep provided practical insights. Dr. Kandimuthu, Asst. Prof. (Economics) was the coordinator and Dr. Santosh Kumar Jha, Asst. Prof. (Botany) was the co-coordinator of this program.

(Contd. Page no. 2)

The meet fostered collaborations between scientists, policymakers, and local stakeholders, encouraging knowledge exchange. The successful event underscored the commitment of CSIR and its partners to driving innovation for regional growth.

JNRM Triumphs at Andaman Inter-College Sports Fest 2025

The Andaman Inter-College Sports Fest 2025 concluded with resounding success, leaving a trail of unforgettable memories. Organized by the Department of Physical Education, JNRM, the event took place from March 15th to March 21st, witnessing enthusiastic participation from colleges across the Andaman and Nicobar Islands.

JNRM emerged as the overall sports champion, securing an impressive 14 medals. The victorious tally included 11 Gold Medals, 1 Silver Medal, and 2 Bronze Medals, reflecting the dedication of the athletes, the guidance of the staff, and the support of the college administration.

A variety of sports competitions, including Table Tennis, Badminton, Kho-Kho, Football, Volleyball, and Chess, showcased the determination and talent of the participants. Both boys and girls demonstrated remarkable sportsmanship, making the event a celebration of teamwork and resilience.

नीला नीला आकाश हमारा, हरे भरे यह जंगल,
सागर की लहरे, करती हमें नित मंगल,
द्वीपों की यह सुंदरता, है प्रकृति का वरदान,
और समुद्र गहराइयों में छुपी इसकी पहचान।
यहां के वन हैं अदभुत और अपार,
हरियाली में लिपटा प्रकृति का सजीव संसार,
मैंग्रोव जंगलों की शांति है निराली,
समुंद्री जीवन से हमारी रक्षा करती है यह
किलेदारी।
दीपों में फैली हरियाली की है चादर,
जंगलों में पक्षियों की फुहार है मधुर,
यहाँ के सुन्दरता की एक अलौकिक गाथा,
जो जीवन का आधार और प्रकृति का नाता।
पर अब बदल रहा है या दृश्य अनमोल,
विकास के नाम पर खुल रहा है प्रकृति का
खोल,
पेड़ कटे जा रहे हैं,
जंगल हो रही है वीरन, समुद्र जीवन का अब हो
रहा है अपमान।
समुद्र में कचरा प्लास्टिक का ढेर,
पानी हो रहा है दुषित और समुंद्री जीवन बन
गया है अब एक खेल,
प्रदुषण के बादल छाए हर ओर,
मानव की लापरवाही ने प्रकृति को कर दिया
कामजोर।
विकास के नाम पर प्रकृति का शोषण,
धरती और सागर का हो रहा है अब दोहन,
संतुलन बिगड़ रहा है अब, हमारी प्रकृति का
आधार सिमट रहा है अब,
पर अब भी समय है, हम सबको जगना होगा,
संरक्षण का प्रयास हम सबको मिलकर करना
होगा,
पेड़ लगाए पानी बचाए या सिर्फ दूसरों को
बताना नहीं,
बाल्की पहले खुद करके दिखलाना होगा।
क्योंकि धरती का संरक्षण ही हमारे जीवन का
आधार है, वरना खो देंगे हम अपना यह अमूल्य
संसार है,
प्रकृति की धरोहर सदा रहे अमर,
हमारे संतानों के लिए भी ये प्रकृति फिर से बने
स्वर्ग।
तो आओ इसे सहेजें इसे बचाएं, प्रकृति की इस
धरोहर को फिर से सजीव बनाएं...

JNRM Hosts Successful Book Exhibition and Readers' Conclave

A two-day Book Exhibition and Readers' Conclave organized by JNRM Library in the College Auditorium on March 24 and 25, themed 'Makers of Modern India.' Swami Sudhanand Saraswati, Archarya, Chinmaya Mission, Sri Vijaya Puram, inaugurated the event as the chief guest. Dr. H.K. Sharma, Principal JNRM, attended as the guest of honor. Dr. Suresh Chandra Srivastav, Retired Professor, highlighted the significance of books and reading.

Dr. Kandimuthu, Assistant Professor and In-charge Officer of the Library addressed the gathering and Smit Chanchala Malakar, Assistant Librarian, JNRM expressed gratitude through the vote of thanks. Dr. S.C. Chaturvedi, Associate Professor and Chairman of the Library Committee, also shared his insights. The event successfully promoted the joy of reading and literary engagement.

The program featured an elocution competition on 'Importance of Book Reading and Book Review Writing' and a speech competition. Participants enthusiastically shared their perspectives. On the concluding day, a valedictory session was held, with Dr. K. C. Joshi, Asso. Prof. (Geography), serving as the chief guest. He distributed prizes and certificates to the competition winners.

JNRM Mathematical Society Inauguration and International Day Celebration

The JNRM Mathematical Society was inaugurated on March 17, 2025, in the college auditorium. Chief Guest Prof. P.M. Mohan, Centre Head of Pondicherry University Campus, Brookshabad, praised the initiative and emphasized the role of Mathematics in the Islands. Guest of Honour, Dr. K.C. Joshi, Principal in-charge JNRM, highlighted its importance in real-life situations. Shri Shadab Hasan, Head of the Department of Mathematics welcomed the gathering. The event featured a performance by students portraying renowned Indian mathematicians, followed by a graceful dance performance.

A poster-making competition on the theme "Health is Wealth" was held, with Indrani Halder (BSc III Year), Sourab Kumar (BSc I Year), and Suvam Halder (BSc III Year) securing the top three positions.

On March 13, 2025, the department also celebrated International Day. Dr. K.C. Joshi inaugurated the event, reflecting on its significance. Dr. Malai Sambasivam, Assistant Professor, delivered a lecture on "In the Sky," exploring the influence of Mathematics in daily life. Final-year student Sneha Das hosted both events with enthusiasm.

The celebrations were a testament to the students' talent and the department's commitment to promoting Mathematical knowledge.

MY GREEN DREAM

A fly into a cosmos with twinkling star, and I can see a spherical bubble in so far. A soapy bubble with blue green colour, and I guess now I'm in the blue green bubble and I smelt the soil's petrichor odor. Seeing the beams entering the bunch of trees splinting and it said me a warm yellow hello. The bright sky with clouds seems to be soft as cotton candy pillow ,which denotes the vibrant pleasant weather and I was in the green woody tress's shallow. A sound that blows up my ear , the water flowing in the river, clear as a mirror. I can see the fresh clean water with beautiful fish, walking through the autumn path covered with crisp leaves and it made a sound like squish. The blue green bubble knew as Earth with lots of mirth. Only the pleasing sound of birds chirping, no more noise, no more pollution, no more bad radiation and no more deforestation. This what an young generation dreams of.

Bird Walk: In Search of Aves

On March 20, 2025, the Nature Club of JNRM and the Science Center, Sri Vijaya Puram organized a Bird Walk at Chidiya Tapu to celebrate World Sparrow Day. Dr. Vivek Kumar Sahu, Asst. Prof. (Zoology) highlighted the importance of sparrow conservation, while Mr. Debasish Paul discussed bird identification techniques.

40 students participated, observing 46 bird species, including shorebirds, waders, nocturnal birds, and birds of prey. The event promoted awareness about the declining sparrow population and encouraged small conservation efforts like providing water, nesting spaces, and greenery to support local birdlife.

Departmental Weekly Seminar: Exploring Biodiversity and Sustainability

The Department of Botany successfully conducted a Departmental Level Weekly Seminar on March 15th and 22nd in the Smart Classroom, featuring insightful presentations on GI Tagged Products of Andaman & Nicobar Islands, Medicinal Plants Found in Little Andaman, Biodiesel – A Sustainable Alternative to Fossil Fuel, and Wild Plants Used as Medicine.

The seminar aimed to enhance awareness of biodiversity, traditional knowledge, and sustainable energy solutions. M.Sc. students and faculty members actively participated, engaging in discussions on the ecological and economic significance of these topics. Presentations highlighted the rich natural resources of the Andaman & Nicobar Islands and their potential applications in medicine, conservation, and renewable energy. The interactive sessions encouraged knowledge exchange and critical thinking. The department looks forward to organizing more such educational initiatives to foster research and innovation.

জীবনের সার

জীবন পথে আছি আমি,
না জানি হবে কী?
সময় চলে তির বেগে,
ছুঁতে তাকে পারি কী?
জীবন মানে কষ্ট-ব্যথা,
তাই বলে আগিতে হবে কী?
চাই মোরা জীবনের সব সুখ,
পেতে তা পারি কী!
নিশি নামে, আঁধার ঘনায়,
আলো পাবে ভেবেছি কি?
স্বপ্নগুলো স্বপ্নই থেকে যায়,
বাস্তবে রূপ আনতে পারি কী?
হাজার রঙে মিশে জীবন,
সব রং ধরা দেবে কী?
চাই যতই পেতে মোরা,
সব কিছু হাতের মুঠোয় করতে পারি
কী?

Expressions: Inter-Department Flash Mob Competition

The Literary Club “**Expressions**”, Department of English hosted the first-ever Inter-Department Flash Mob Competition on March 22, 2025, at the JNRM Ground. The event, organized by the Literary Club, brought together vibrant performances celebrating creativity and enthusiasm.

Participants showcased their talent through engaging and energetic acts, leaving the audience captivated. After an intense competition, the BBA (Tourism) Department secured the first position with their dynamic performance. The English Department claimed the second spot with a powerful presentation, while the Zoology Department earned the third position with an impressive act.

The competition provided a platform for students to express themselves artistically, fostering teamwork and cultural exchange. The event concluded on a high note, leaving behind unforgettable memories for both participants and spectators.

JNRM Students Engage in Community Service

On March 24, 2025, five second-year B.Sc. Botany students from JNRM visited the Anganwadi Centre at Pathergudda-3 as part of their community service initiative. They interacted with the children, engaging them in enjoyable learning activities. The visit aimed to foster social responsibility and empathy among the students.

Both initiatives reflected the students' willingness to make a positive impact. Their efforts served as an inspiration to their peers, reinforcing the importance of active participation in community development.

Continuing their commitment to community service, four second-year B.Sc. Botany students undertook a campus cleaning drive at JNRM on March 26, 2025. With dedication and teamwork, they contributed to maintaining a clean and green environment.

Word Power: Enhancing Your Vocabulary

PRESENTED BY
MS. AFREEN, M. A. ENGLISH 1ST YEAR

LANGUAGE IS A POWERFUL TOOL, AND THE RIGHT WORDS CAN INSPIRE, PERSUADE, AND CREATE IMPACT. IN THIS SECTION, WE EXPLORE COMPELLING WORDS TO ELEVATE YOUR COMMUNICATION AND WRITING SKILLS.

WORD OF THE MONTH: RESILIENCE

MEANING: THE ABILITY TO RECOVER FROM SETBACKS AND ADAPT TO CHALLENGES.

EXAMPLE: HER RESILIENCE IN OVERCOMING OBSTACLES MADE HER A ROLE MODEL FOR MANY.

POWER WORDS FOR ACADEMIC EXCELLENCE

1. ARTICULATE - EXPRESSING IDEAS CLEARLY AND EFFECTIVELY.
2. METICULOUS - PAYING ATTENTION TO DETAIL.
3. ERUDITE - SCHOLARLY AND KNOWLEDGEABLE.
4. LUCID - EASY TO UNDERSTAND AND WELL-EXPLAINED.
5. COGENT - CONVINCING AND WELL-REASONED.

EXPRESS YOURSELF: CREATIVE WORDS

1. ETHEREAL - LIGHT, DELICATE, AND HEAVENLY.
2. POIGNANT - EMOTIONALLY TOUCHING.
3. MELANCHOLY - A DEEP, REFLECTIVE SADNESS.
4. SERENDIPITY - A FORTUNATE AND UNEXPECTED DISCOVERY.
5. VIBRANT - FULL OF LIFE AND ENERGY.

Heritage Tour to Netaji Subhash Chandra Bose Island

On March 27, 2025, the Department of BBA (Tourism), JNRM, Sri Vijaya Puram, organized a one-day heritage tour to Netaji Subhash Chandra Bose Island for final-year students. The tour was held in collaboration with India Tourism, Ministry of Tourism, and the Andaman Association of Tour Operators (AATO).

The tour was accompanied by AATO President Shri Vinod and India Tourism Assistant Director Shri Vel Murugan. A total of 29 students and two resource persons of BBA Tourism, Dr. Rajasekaran and Ms. Purba Biswas, participated in the excursion.

Students explored the historical significance of the island from the British era. Experienced guide Ms. Anuradha Rao enriched their understanding by sharing detailed insights about the heritage monument.

The tour to NSCBI provided valuable knowledge of the Islands' history and heritage to the students promoting a deeper appreciation of its cultural heritage.

National Conference on Integral Humanism at Alagappa University

The Pandit Deendayal Upadhyay Chair, Alagappa University, Karaikudi, Tamil Nadu, invited Dr. R. V. R. Murthy, Associate Professor to a two day National Conference to present a research paper on "Integral Humanism for Sustainable Socio-Cultural Development in India".

As a part of two-day National Conference on "Revisiting Integral Humanism: Pathway to Achieve Sustainable Development in India", held on 12th and 13th March, 2025, at Alagappa University, Karaikudi.

During the conference, the board members of Alagappa University facilitated Dr R.V.R Murthy for his participation and contribution to knowledge on the subject.

Andaman Day Commemorated

The Department of History, JNRM, in association with Chinmaya Mission, Sri Vijaya Puram, organized a day-long seminar on March 9, 2025, on the topic "Andaman: The Land of Struggle and Sacrifice" to commemorate the arrival of the first batch of freedom fighters to Andaman.

The seminar was inaugurated by Dr. Anil Aggarwal, IAS Secretary, Andaman Administration, in the presence of Shri Gouri Shankar Pandey, Guest of Honour and a senior citizen of the islands. Dr. R. V. R. Murthy, HOD, Department of History, presented a paper on

" Ethnicity of Local Born Identity in the Andaman Islands". Three students from the department presented research papers on various topics of historical significance. Eminent speakers deliberated on different aspects of Andaman's rich history and sacrifices. The seminar provided an engaging platform for academic discussions and insights into the Island's past.

विराट सा पहाड़ हूँ,
एकांत, शांति और दृढ़ता का आदार हूँ।

सवेरे का सूर्य हूँ,
तुम्हारे सामने होकर भी काफी दूर हूँ।

हवाओं से उड़ती हूँ,
तुम्हें छूकर गुजरती हूँ।

कु-कु करती चिड़ियों की आवाज़ हूँ,
जल के रूप में बुझाती तुम सब की प्यास हूँ।
ओस सा ठंड हूँ,
रेत सा नरम हूँ।

नीला सा अम्बर हूँ
गहरा समुंदर हूँ
मैं प्रकृति हूँ।।

मेरी कीर्ति बसती कण- कण में है
छोटे से तिनके से लेकर विशाल हरे- भरे वन में है।

फूल बनकर अपने खुशबू से पूरे वातावरण को मेहकाती हूँ
तो फल, सब्जी बनकर तुम्हारे भोजन को संपूर्ण करती हूँ
तुम्हारे सासों का साधन हूँ,
तो कभी जड़बूटी बनकर तुम्हें बीमारियों से बचाती हूँ,
तितलियाँ बनकर तुम्हें अपने रंगों से मिलती हूँ
मैं प्रकृति हूँ।।

चिंटी सा छोटी हूँ
ऊँठ सा ऊँचा हूँ,

रात का आँधरा हूँ
तो चाँद की चाँदनी भी हूँ,

कोयला सा काला भी हूँ
दूध सा सफ़ेद भी हूँ,

सहद सी मिठी हूँ
करेला सा कड़वी भी हूँ,
मिर्च सा तिखा भी हूँ
नामक सा खारा भी हूँ
मैं प्रकृति हूँ।।।

इन सबसे यह सिख सिखाता हूँ
ये मनुष्य बले ही तुम एक दूजे से विचार- प्रकार मे बिन- बिन हो
तुम्हारी विभिन्नता ही तुम्हारी पहचान है।
दुजा बनने की कोशीश नही,
तुम बनने का कोशीश करो।।

जब लगे तुमहारे साथी तुमसे आगे निकल गए,
तो याद रखना हर मौसम का अपना- अपना फल होता है।
कली से फूल बनने का अपना- अपना खास पल होता है।
नीलाकुरंजी की बारह साल की इंतज़ार हूँ
मैं प्रकृति हूँ।।।

अंत : जब-जब प्रकृति को हानी पहुँचाई,
हमने हर बार बरबादी ही पाई।
कभी बाँध अंधी सुनामी तो कभी कोरोना जैसी माहामारी।
प्रकृति का करे सम्मान
कूड़ा-कचरा को समुंदर में नहीं,
कुडधान में फेंकें।
बीज बोकर पौधे को जान देकर तो देखे।।।

Latest Trends & Technologies in the IT Industry

The Department of Computer Science, JNRM successfully organized a lecture on "Latest Trends & Technologies in the IT Industry" on 29.03.2025.

The lecture was delivered by Shri Parag Bhardwaj, Technical Lead, Rubrik, Bengaluru, who emphasized the importance of staying updated with modern technologies such as Artificial Intelligence, Cloud Computing, Cybersecurity and IoT. He highlighted how these technologies are reshaping various sectors including healthcare, education, manufacturing and finance.

The Lecturer aimed to enlighten students and faculty on the rapidly evolving landscape of information technology and how emerging technologies are transforming businesses and everyday life.

The event saw enthusiastic participation from students and faculty members. Interactive Q&A sessions allowed attendees to deepen their understanding of current tech trends and explore career opportunities in these areas.

The seminar concluded with a vote of thanks by Dr. Vinod N.C., Head of Computer Science Department, who acknowledged the contributions of Shri Parag Bhardwaj and participants for making the event a grand success.

THE DIFFERENCE OF HUNDRED RUPEES

IT IS ME WHO RISES BEFORE THE SKY GETS LIT.
IT IS ME WHO HANGS THE WHITE BALL AT ITS PLACE.
THE BOILING KETTLE WHERE THE VAPOUR BUBBLE CHASE
IT IS ME WHO PINS THE HOUSE WITH OWN WIT.
YET I AM DENIED TO BE EQUAL BY THE LEAD OF HUNDRED.
IT IS MY MAN WHO PAINTS ME RED.

FROM THE COFFEE TO HIS HASTENED DEPARTURE,
FROM MY MORNING CHANT TO MY LESSER STATURE.
IT IS ME WHO SERVES THE SUITABLE DAYS.
IT IS ME WHO BENDS TO OUR LIFE'S WAYS.
YET I AM DENIED TO BE EQUAL BY THE LEAD OF HUNDRED.
IT IS MY MAN WHO PAINTS ME RED.

I TOO HAVE A COLLAR OF WHITE.
I TOO HAVE AN INTELLECTUAL SIGHT.
IT IS ME WHOSE PAY ROLL NEVER MAKES AN ACCOUNT.
IT IS ME WHOSE SACRIFICE IS ALWAYS ON A DISCOUNT.
I TOO MAKE A PAY EQUAL TO HIM,
BUT IT NEVER MATTERED, AS IT WAS LESSER.CAN BE SEEN AS DIM.
YET I AM DENIED TO BE EQUAL BY THE LEAD OF HUNDRED.
IT IS MY MAN WHO PAINTS ME RED.

YES, IT IS DECISION, YES, IT IS AUTHORITY.
YES, IT IS POSSESSION, AND ALSO THE AUDACITY.
I AIN'T GREEDY OF NAME, I AIN'T READY FOR FAME.
ALL I NEED IS A SUN RISE TO SYNC UPON.
ALL I NEED IS A SUN SET TO DWELL UPON.
YET, I AM DENIED TO BE EQUAL BY THE LAD OF HUNDRED.
IT IS MY MAN WHO PAINTS ME RED.

Successful Blood Donation Camp at Ramakrishna Mission, Sri Vijaya Puram

On 11th March 2025, a successful blood donation camp was organized at Ramakrishna Mission, Sri Vijayapuram. The event saw an enthusiastic participation of over 30 students from the Geography department, showcasing their support for the noble cause. Out of these, 15 students actively donated blood, contributing to the much-needed supply for local hospitals.

The event was further honored by the participation of the Joint Secretary Higher Education - Shri. Vikram Singh, DANICS, who also donated blood, setting a remarkable example for others. The camp not only highlighted the importance of community service but also demonstrated the commitment of both students and faculty towards making a positive impact on society. The event was a significant success, promoting solidarity and the spirit of giving among the participants.

Empowering Women: Women's Day Celebration at JNRM

The Women's Day event, organized by the Red Ribbon Club (RRC) at JNRM, was a grand success with a participation of 300 students. Dr. K.C. Joshi, Principal In-charge of JNRM, the Chief Guest, graced the event and during his address, he emphasized the vision of "**Viksit Bharat**", while Shri Sukranjan Biswas from Nehru Yuva Kendra was the Guest of Honour. On this occasion, a special lecture was delivered by Smt. Esther Samuel on "Women Empowerment through Extension Programs," which emphasized the importance of empowering women in the community. Dr. Satya Prakash, Asst. Prof. (Geography) attended the program. The program was coordinated by Dr. Kandimuthu, Nodal Officer (RRC). The Event highlighted the Women's contribution towards the society.

Best Employee Spotlight: Mr. David Minj (Multi Tasking Staff)

We are proud to recognize Mr. David Minj, Multi Tasking Staff as the Best Employee of the month. He consistently demonstrated exceptional dedication, professionalism, and teamwork.

He handled every task with remarkable efficiency and maintained a positive attitude even during high-pressure situations. His innovative problem-solving skills and attention to detail significantly contributed towards the success.

Mr. David Minj was always willing to support his colleagues & students of this Institution and went the extra mile to ensure deadlines were met without compromising quality. His performance set a shining example of what true commitment and excellence look like in the workplace.

We thank Mr. David Minj for his hard work and commendable efforts. He truly earned this recognition. We wish him good luck for his future goals.

प्राकृतिक सपना

कल रात मैंने एक सपना देखा मैंने देखा कि

उगा एक सूरज मेरे द्वार पर

जो था विशाल बड़ा

जिसका ना कोई धर

अचानक मेरे पैरों में

जकड़ा एक जड़

बोला मैं लिली हूँ सर

लिली तू क्यों हो गई गीली

मैंने रात को देखा सफेद तुझे

अब कैसे हो गई तू पीली

बोली सर...

कब तक मनुष्य रंग बदलेगा कभी तो हमें भी बदलना पड़ेगा क्या

केवल तुमने ही रंग बदला है या पूरे बागों का तबादला है

रोस को बदबूदार सनपलावर को मूनपलावर

मेरीगोल्ड से मेरीसिल्वर होते देखा है

कल रात मैंने एक सपना देखा है।

मैं अह्राते से निकला तो पाया

कि सूर्य के होते हुए भी

जग काला हो आया

बादल समुद्र का जल पी रहा है और हिमालय मानो लज्जा से

धरा पर गड़ा जा रहा है

वृक्षों की अंतिम पत्ती भी बिगुल बजा रहा है

मानवों का अंतिम समय बता रहा है

जानवर भी मनुष्य से पूछ रहे

इस कृत्य में स्वयं की भूल खोज रहे

जगह-जगह कूड़ों का ढेर

पेड़ों की कटी लाश

मृत जानवरों का ढेर

तबाही गंदगी भूखमरी

और मानवो को मरते देखा है कल रात मैंने एक सपना देखा है

कटी लाशों में आंसू बहाए क्यों? वन बनाए तो जलाए क्यों ?

जब वास्तविक हम अच्छा बना पाएंगे,

तो इस सपने को हकीकत बनाए क्यों?
